CITY OF SUMTER & SUMTER COUNTY**

The Sumter City-County Planning Commission is soliciting proposals from qualified consultants to prepare & deliver a Joint Land Use Study (JLUS) for Shaw Air Force Base, the City of Sumter & Sumter County, SC.

The Shaw-Sumter community has prepared & adopted two previous joint land use studies: 1) a joint land use study for Shaw in 1993 & 2) a joint land use study for Poinsett Electronic Combat Range. Due to a series of factors, the community proffers that an update of the 1993 JLUS for Shaw is warranted.

The selected consultant must demonstrate qualifications in comprehensive land use planning with particular emphasis on local government & military base planning & previous experience with joint land use studies. The proposal should provide background on assigned members of the consulting team, with emphasis on previous experience with JLUS. It is expected that the project will be completed within 12 months of any Notice to Proceed.

The selection criteria are:

1. Experience, qualifications, & technical competence in the types of work required to complete the task (25%)
2. Past performance on projects of a comparable nature (20%)
3. Familiarity with the Sumter community & region (5%)
4. Relevant experience & qualifications of specific personnel to be assigned (25%)
5. Demonstration of consultant's approach to performing the work including an indication that JLUS will be a priority project in determining specific staff scheduling & performance (20%)
6. Cost of services (5%)

The Sumter City-County Planning Commission reserves the right to amend these se-

lection criteria without notice to or consent of the proposing organizations. If such amendment would result in a aggregate change of more than 10% to the existing selection criteria, however, the Sumter City-County Planning Commission will give at least ten days notice of such amendment & will allow the proposing organizations to amend their proposal during such ten-day period.

Proposal format:

1. Letter of interest, name of organization & project contact information
2. Current resume of qualifications
3. Direct response to the criteria defined above.
4. Cost of services
5. A summary of an understanding & approach to the project.
6. Description of experience including a list of 4 relevant projects with reference contacts.
7. Any other information that will assist the Planning Commission in its decision
8. SF 2543 & 255 forms for primes & subs

One original & ten copies of the proposal & qualifications submission should be mailed to:

The Sumter City-County
Planning Commission
George K. McGregor, AICP, Director
PO Box 1449
Sumter, SC 29151

or delivered to:

Submission must be marked on the exterior of the package "Request for Proposals – Sumter / Shaw JLUS" & received no later than 5:00pm, on April 15, 2008. No faxed or email submissions will be accepted. Firms that responded to the initial request by March 21, 2008, may submit an addendum reflecting the inclusion of cost as a criteria in the selection process.

SCBO Hardcopy Subscription

As of July 1, 2008, SCBO will no longer be published in hardcopy. With the advent of online SCBO over ten years ago, hard copy subscribers began switching their subscriptions to take advantage of the internet as a less expensive, more efficient way to access SCBO. At this point, hard copy subscriptions began to decline. In September 2007, the Division of Procurement Services decided to provide online SCBO at no charge, & hard copy subscriptions declined even further. It has now become cost prohibitive to provide SCBO to subscribers in the hard copy.

If your subscription expires after July 1, 2008, you will be receiving information about how the time remaining on your subscription will be handled by the Materials Management Office.

SC Business Opportunities will continue to be available online at no charge at http://www.mmo.sc.gov/MMO/ops/scbo_online/MO-scbo-online.phtml
